

Notice
Village of Gays Mills Residents

Hydrants will be flushed throughout the Village on:

South portion of Village to Well House – Wednesday, April 16th
(Downtown to Well House)

North portion of Village to Well House – Thursday, April 17th
(BAPI to Well House)

Be aware that water discoloration may occur during this time. You are advised to refrain from washing light colored clothes as iron and other minerals may be stirred up during this process and can cause staining and discoloration.

Thank you for your understanding in this matter.
