- (a) **Applicability.** The provisions of this Section shall apply to the removal, storage, notice, reclaimer or disposal of abandoned vehicles. Any vehicle in violation of this Section shall be impounded pursuant to this Section until lawfully claimed or disposed of pursuant to this Section, except that if it is deemed by the Authorized Officials that the cost of towing and storage charges for the impoundment would exceed the value of the vehicle then the vehicle may be junked or sold by the Village of Gays Mills prior to expiration of the impoundment period on determination by the Authorized Officials or Sheriff having jurisdiction that the vehicle is not stolen or otherwise wanted for evidence or other reason. All substantially complete vehicles in excess of nineteen (19) model years of age shall be disposed of in accordance with this Section.
- (b) **Removal.**
 - (1) Any police officer who discovers any motor vehicle, trailer, semitrailer or mobile home on any public highway or private or public property in the Village of Gays Mills which has been abandoned shall give notice of the violation by placing in a conspicuous place on the vehicle a written notice setting forth the applicable provisions of this Section, containing the date of the notice, and specifying the time during which such vehicle may be removed by its owner or operator and that in the event of failure to so remove within the prescribed time the Village shall remove the vehicle and assess the costs thereof and the storage costs against the owner or operator. The time specified in the notice shall allow for adequate time for compliance with Subsection (e) if it applies. Subject to the provisions of Subsection (e), the Sheriff Department shall cause the vehicle to be removed to a suitable place of impoundment after the period prescribed in the notice has elapsed.
 - (2) Upon removal of the vehicle, the police officer shall notify the Authorized Officials or his designee of the abandonment and of the location of the impounded vehicle.

TITLE 10 Motor Vehicles and Traffic – Village of Gays Mills

- (3) The owner of any abandoned vehicle except a stolen vehicle is responsible for the abandonment and all cost of impounding and disposing of the vehicle, which may be recovered by the Village of Gays Mills in a civil action against the owner if not recovered from the sale of the vehicle; provided, however, that the Village shall be responsible to the towing service for requisitional towing service and reasonable charges for impoundment whether or not the Village recovers the cost of towing and enforcement.
- (c) **Storage and Reclaimer.** Any abandoned vehicle which is determined by the Authorized Official or his designee to be abandoned shall be retained in storage for a minimum period of ten (10) days after certified mail notice with a \$35 storage fee per day, as provided for in Subsection (d), has been sent to the Wisconsin titled owner and lienholders of record to permit reclamation of the vehicle after payment of accrued charges. Any such vehicle which may be lawfully reclaimed may be released upon the payment of all accrued charges, including towing, storage and notice charges and upon presentation of the vehicle title or other satisfactory evidence to the Authorized Official or his designee to prove an ownership or secured party interest in said vehicle.
- (d) **Notice to Owner or Secured Party.** Certified mail notice, as referred to herein, shall notify the owner of record of the abandoned vehicle, if any, and the lienholders of record, if any, of the following:
- (1) That the vehicle has been abandoned and impounded by the Village of Gays Mills;
 - (2) That the vehicle may be reclaimed upon the payment of all accrued charges, including towing, storage and notice charges, within ten (10) days after mailing of the notice;
 - (3) That the failure of the owner or lienholders to exercise their rights to reclaim the vehicle under this Section shall be deemed a waiver of all right, title and interest in the vehicle and a consent to the sale of the vehicle; and
 - (4) The year, make, model, and serial number of the abandoned vehicle and the place where the vehicle is being held.
 - (5) If vehicle is not reclaimed within the ten (10) day period the Village of Gays Mills has the right to impound the vehicle up to thirty (30) days at \$35 per day and/or sell if vehicle is older than nineteen (19) years.
- (e) **Opportunity to be Heard.** Notwithstanding any contrary provision of this Section and/or this Chapter 5, where an abandoned vehicle displays current license plates and the circumstances do not demand prompt removal, registered or certified mail notice shall be sent to the owner of a vehicle within three (3) business days after the identity of the owner has been ascertained informing the owner that he/she may request a hearing before the Village Board on the issue of a violation of this Section and the consequent assessment of any costs of removal or storage. Such request must be made in writing to the Village Clerk-Treasurer and received prior to the expiration of the time during which the owner or operator may remove the vehicle under the notice specified in Subsection (b) of this Section and the Village shall not remove the vehicle or assess the costs prior to such hearing in the event of a request complying with this Subsection. If the circumstances demand prompt removal, whether because the vehicle constitutes an impediment to traffic, a hazard to traffic or safety, or otherwise, and the vehicle displays current license plates, registered or certified mail notice shall be sent after an impoundment within three (3) business days after the identity of the owner has been ascertained informing the owner that he/she may request a hearing before the Village Board on the issue of whether he/she has committed a violation justifying impoundment and the consequent assessment of charges.
